

If you suffer with any of the following ailments:

Acne, Athlete's Foot, Constipation, Cough, Diarrhoea, Earache, Headache, Eczema and Allergies, Haemorrhoids (piles), Hay Fever, Head Lice, Indigestion, Nasal Congestion, Period Pain, Thrush, Sore Throat, Threadworms, Warts or Verrucae.....

Have you asked your pharmacist about treatment for these on the Minor Ailments Scheme? Advice, treatment and medications can be provided over the counter, or prescribed, on the Minor Ailments Scheme, through which patients can access treatment for certain conditions directly from your local pharmacy at no cost. Advice and treatment can be given on a 'walk-in' basis with no appointment needed and patients can leave with the treatments they would receive from your GP. This service can also be accessed at weekends.
